WASHINGTON WOMAN IS HONORED BY CATHOLICS

Miss Mary V. Merrick, Founder of Christ Child Society, Receives Medal.

Miss Mary V. Merrick, of 1754 S street northwest, founder of the Christ Child Society, a Catholic charity organization, has been awarded the coveted Lestare medal, conferred annually by Notre Dame University at Notre Dame, Ind.

The receipt of the medal is considered one of the greatest honors conferred upon Catholics in this country. The medal is awarded each year to the Catholic who has accomplished most for the benefit of humanity. In the opinion of the judges, last year the honor was conferred on Chief Justice White, of the Supreme Court.

Miss Merrick was born in Washington and has lived here all her life. She is the daughter of the late Richard T. Merrick, formerly a lawyer of great local prominence. Ever since she was 14 years old Miss Merrick has been an invalid. Twenty-five years ago her desire to engage in social service led to the organization by her of the Christ Child Society, founded to relieve poor and destitute children.

Although primarily a Catholic organization—Miss Merrick herself being a member of St. Paul's Catholic Church—the society administers to needy children regardless of their church affiliation and includes within its membership many Protestants. The organization has a local membership of 1,000. Last year assistance was given to 1,000 poor children here. Eight local centers have been established from which to direct the charitable work.

The movement now has spread to fifteen large cities, and more than 150 teachers are employed to instruct children along moral lines. At Christmas time the society furnishes poor children with toys asked for in letters to Santa Claus. Last Christmas 1,500 local children were made happy.
